## Welcome New Members

### The club is based in Otago and Southland.

Started by Phil Coulthard and Roger Bugden after the Christchurch Convention in 1998.

The first meeting drew about 12 members, but the club has now grown to 70 financial members (and still growing) from the Otago and Southland area.

At the 2003 National Convention the club participated in its own right for the first time. In 2011 the club hosted its first National Convention in Invercargill. Hosting again in 2017 and planning is underway for 2024.

This is a socially focused club that aims to get the whole family involved, and operates in close association with the Canterbury Mustang Owners Club.

The club holds monthly meetings at Club Southland, 115 Leet Street, Invercargill, on the 2nd Thursday of each month (except January) at 7.30pm

We have regular club runs, along with an annual weekend with the Canterbury Mustang Owners Club (the Mainland Muster). Our annual fundraiser is administration and security duties at Burt Munro Challenge Rally held each February at Sandy Point, Invercargill.
