Registration Requirements

The 29th National Mustang Convention is open to all current financial members from any of the six recognised Mustang Owners Clubs around New Zealand.

Car Show

You may enter more than one car in the car show, however each car entered may only be judged under one class in the 1-23 classes. All cars are eligible for awards in A – G. The car show is about having a large variety of Mustangs on display, whether it's your daily driver or your show room treasure, so don't hesitate to register it for display. If you love it – someone else out there would love to see it too. You are not required to have your car judged if you wish to display your car in the car show – just indicate "NFJ" on the attached registration form.

Convention Shirts

Convention Polo Shirts need to be pre-ordered and pre-paid prior to the registration cut off date.

NB: There will NOT be any spares available for sale on the registration night.

**Register by 31 July and be in the draw to win a cool Flat-screen TV,
