#### **PRESS RELEASE # 2:**

#### **MUSTANG MARATHON IS COMING TO TOWN**

A herd of Ford Mustangs will soon begin to roar through New Zealand on a 3,000 km marathon to celebrate their 40<sup>th</sup> Anniversary. On the 9<sup>th</sup> March 1964 the very first Ford Mustang car rolled off Ford America's Dearborn production line, giving birth to one of the most successful and enduring car models ever.

The "**Great NZ Mustang Run**" leaves Kaitaia on Monday 29<sup>th</sup> March, and finishes in Bluff 12 days later on Friday 9<sup>th</sup> April. The run passes through most main towns and cities and represents an ideal time for the public to see these amazing cars at no charge.

The very best of the breed will be on show, including rare high performance Shelby, Boss Cobra Jet and Mach 1 model Mustangs, as well as convertibles, and other interesting models from across all the 40 model years.

A detailed schedule of times and locations that the public can view the cars at no charge, is available on the event website at [www.NZMustang.com](http://www.NZMustang.com).
